

Unintentional Injury Prevention in the 'Change for Children' Programme

Child Safety Awareness Training for Practitioners

Aim:

To raise awareness of key messages for UIP among the health community, Sure Start staff and early years providers in the context of the 'Change for Children' Agenda

Objectives:

Key Messages in UIP for parents and carers of the under 5s

To look at UIP in the 'Change for Children' Agenda (Every Child Matters, Children's NSF, Choosing Health: Making Healthy Choices Easier)

To investigate opportunities for multi-agency working to address UIP in the 'Change for Children' Agenda

To highlight Child Safety Week 2005 (20th June – 26th June 2005)

Brief Description:

The day will look at how UIP fits into the 'Change for Children' Agenda and the implications for practitioners. There will be a hands on practical approach to ensuring parents and carers receive and respond to key safety messages.

Delegates will receive a **UIP toolkit** to use in their settings / work and a copy of the Child Accident Prevention Trust (CAPT) Child Safety Week Resource Pack.

Target Groups:

HVs, Midwives, Practice Nurses, Sure Start practitioners, Early years providers

Trainer: Kate Pordage, Health Promotion Officer

Venue: Health Promotion Service

Date: 23rd June 2005

Time: 10.00 – 15.00 (lunch provided)

Cost: FREE
