

HEALTH PROMOTION SERVICE – QUARTERLY REPORT (Q1)

PROJECT TITLE SunSafe					
	Activities and targets planned	Activities delivered and targets achieved	Evidence list	Variance	Action Plan to address any variance
April – June 09 (Q1)	To deliver primary school packs to 60% of schools in county	Primary school packs were successfully delivered to 235 schools in Cornwall (all schools on Cornwall County Council list) – 100% of schools	Feedback forms from some of the schools packs were delivered to.	None	
	To deliver assemblies/workshops to 10% of primary schools in county	Assemblies/workshops were delivered to 4% of primary schools	Feedback forms from 4% of schools attended where work shops were carried out	6% below target	We started post May 25 th 2009 which once the packs had been made and delivered did not leave enough time for workshops/ assemblies before the schools broke up for summer holidays. We attended every school who invited us (none were turned away) however if there was more time we could have called to remind

					them of the service.
	Media	The media (radio and TV) have been thoroughly informed of the events we are attending and our progress	Newspaper articles x4 Cornish Guardian, Radio Cornwall Interviews x6 Pirate FM interviews x4 ITV broadcasts x 5		
	Display (indoor and out)	The display was successfully used at x10 events and the next quarter is booked	Feedback forms from events, photos and radio/media announcements whilst at the event.		
	Web site	To design and set up a web site	The web site is up and running		
	Mole clinics	To run x2 mole clinics	Drop in Mole Clinics were carried out at the RCS, in Bude and St Ives	+ 1
