

# St Ives Infants School

## Emotional Health & Well Being

**Coordinator:** Jenny Thomas  
**Contact Number:** 01736 796628  
**Healthy School Validation 2004**

### **School Details and Context**

Nursery and KS1 infants, 256 on roll. The only school in St. Ives

### **How was the need identified**

School nurse made available to group an NHS Health Report about medical issues in St. Ives which indicated mental health as being a problem area, staff changes, retirement etc. So there was also a need for staff integration. Also a lot of young/single/new to area parents.

### **Chosen Criteria**

Emotional Health & Well Being

### **Steps taken to meet the criteria**

Regular P.E.P. workshops, circle time, playtime equipment for pupils. Link into learning. Questionnaire to parents. Change of staffroom premises. Staff given non teaching planning time. TA's invited to all Inset and where necessary payment given.

### **Who was involved in the process**

Pupils, parents, governors, all school staff, school nurse and outside agencies.

### **Outcomes/impact on pupils and the wider community**

School is moving forward as a community where all participation is valued. Communication in school was highlighted as a problem - seem to be much improved.
