

My daughter, who's in year 6, has written a letter to her older sister who lives in London asking her to give up smoking. She sent her some information from a website and sent her a poster."  
Parent Leedstown School 2004

"My friend offered me a cigarette. I said let's go play in the park instead."  
School assembly on good and bad choices performed by pupils at Roskear School 2004

"I wasn't expecting all the healthy displays at the Year 9 options evening.  
There was one advertising National No Smoking Day."  
Parent Budehaven School 2004

"The children have complained about the school cook smoking as they worry about the food preparation. She sits on a bench outside of the school premises to smoke but the children can see her."  
Parent 2004

"We go to the Flashpoint centre. We learn how to be safe and learn about Protective Behaviours and drug safety. We have also learned how to be safe using the internet."  
Year 4 Pupil St Tudy School 2004

"There are pink pills, blue pills, pills that are white, gooey stuff to help you when you're coughing through the night. When I need to take them mum will get them off the shelf but I must never, never take them by myself."  
Infants singing "The Medicine Rap" Leedstown School 2004

"Promoting Effective Parenting have offered workshops for parents about discussing drugs and SRE with their children."  
Headteacher Lanreath School 2004
